

Special To The Democrat

LAKELAND, May 9—Florida State University staged two big innings here tonight to wind up its baseball season with a 15-4 triumph over the Florida Southern College Mocs in a game called at seven innings by agreement.

Freshman George Hehemann went all the way to register FSU's 13th win against 10 losses and a tie.

Three Seminole hits and four Moc errors gave FSU a five run jump in the first inning, and the Indians backed on six more runs in the fourth to take a commanding lead.
