

Second baseman Carlee Hendrix provided half the offensive punch here last night as Tony Avitable pitched Florida State to an 8-2 baseball victory over University of Cincinnati.

Hendrix, involved in a complete shuffling of the FSU infield by Coach Danny Litwhiler, collected four singles as the Seminoles won their 16th of the year. FSU has lost three.

And it was Avitable's fifth straight triumph, matching Max Long's 5-0 record to lead the Tribe hurling staff. Last night Avitable struck out 11 batters, walked only two and scattered seven hits.

#### SOME SHUFFLING

Litwhiler, in an apparent effort to bolster the FSU infield defensively, moved Hendrix from third to second and put Foy Barton at third base. Barton, whose ninth inning single beat Wisconsin in the semifinals of the invitational tournament, went hitless last night but handled five chances without an error.

Other infield switches sent Dick Houser to shortstop and Ham Bisbee to first. Houser, leading hitter on the team, was moved in from the outfield and Bisbee got the nod at first over heavy-hitting Fred Twomey.

The Seminoles came from behind to score five times in the fourth inning to defeat Cincinnati. Four Bearcat errors and two-run singles by Bisbee and

Avitable accounted for the runs.

Cincinnati, although charged with eight errors, came up with three double plays.
