

A double steal which saw Bob Clem swipe home and an RBI single to right by Ross gave FSU two more runs in the third.

Jack Dull, who had a triple and a homer Friday, led off the fifth inning with a triple to center and scored on Gene McCormick's sacrifice fly to deep right.

A bunt single down the third base line by Ray Bazzell drove in Hank Ross who was hit by a pitch and moved to second when Lanford walked.

McCormick put the game on ice in the sixth inning when he belted a three-run homer over the right field fence. It was McCormick's second homer of the series.

Miami, which had been held hitless since the second inning by Daniel, put together two walks and three hits for four runs in the eighth.

FSU's ace righthander, Frank Davis came on in relief of Daniel in the ninth with one on and one out and struck out the side.

Miami Coach Whitle Campbell said the Hurricanes would put in for the District 3 bid, but he thought FSU would receive it.

"FSU appears to have a better chance than us. They've got a real good hitting club with a lot of depth.
