

STATESBORO, Ga. — Florida State ended a highly successful road tour Saturday with a 9-1 victory over Georgia Southern.

Wayne Vincent went the route and gave up five hits to record his sixth victory against a long setback. The Sophomore lefty struck out eight and walked one.

He got 12-hit backing from his teammates, including three hits by Mike Martin and two by Jim Lytle. One of Lytle's safeties was a triple, while Vincent and Dick Fernandez had doubles.

Southern went into a 1-0 lead in the second inning when Rick Ward blasted a home run over the left centerfield fence.

The Tribe came back to tie it with a run in the third after two men were out. Lytle was hit by a pitch and stole second. Randy Brown walked and Pete Sarron followed with a single to score Lytle.

Another run in the fifth moved the Seminoles into the lead for good. Gary Sprague led off with a single and stole second as FSU swiped seven bases. Sprague moved to third on an infield out. Brown was hit by a pitch and stole second, putting men on second and third. Sarron pushed the run across with a sacrifice fly deep to right field.

After one man was out in the sixth, Martin singled, stole second and scored on Vincent's two-bagger to right center.

Florida State sent home two more runs in the seventh as Lytle led off with his three-bagger. Brown walked, stole second and Sarron lifted another sacrifice fly to right to score Lytle and advance Brown to third. Tom Thomas then squeezed Brown home to make the score 5-1.

Sprague led off with a walk and went to third as Lyttle singled. Brown singled, scoring Sprague and sending Lyttle to third. After an infield out wasn't able to move either

runner, Thomas lashed a single to right to score Lytle.

Vincent helped his own cause in the fifth inning by picking two runners off first.
