

TAMPA — Florida State's baseball team boosted its record to 3-0 yesterday, limiting Tampa to one hit in a 14-0 victory.

Marvin Stringfellow pitched the first seven innings for the Tribe.

Tampa's leadoff batter in the first inning, Bob Gumrot, drilled a single to left — and that was all.

In the second inning Kit Broadbelt did rap an apparently double to center. It was rubbed out, however, because he didn't touch

Stringfellow first base.

Roy Mewbourne led FSU's 13-hit attack with three singles. Ed Yarnell rapped a homer and single.

The Seminoles played errorless ball. Stringfellow gave just one walk, struck out six in his 7-inning stint.

Stringfellow also helped

spark the attack, getting a double and single.

FSU now faces a two-weeks layoff before renewing play here March 20.

"That opens our tournament," said Coach Fred Hatfield. "Right now we plan to play Auburn in an afternoon game, and then meet Georgia that night in our first game under the new lights.

Quarter breaks at other schools prevented our lining up games during this two-week period. But we can use this extra time to get in shape. I think we're a little behind."
