CLEMSON, S.C. — Second baseman Dick Gold continued his 17-game hitting streak in big fashion Saturday with two home runs to lead Florida State to a 6-2, 3-1 doubleheader sweep over Clemson University.

Gold's blows came with one on in the first game and with the bases empty in the nightcap. They were his second and third of the season.

Tom Henson was credited with the win in the opener, and sophomore Gene Ammann pitched a three-hitter for his seventh win in the second game.

Clemson broke on top with a first inning run in the opener, but succumbed to a three-run Seminole uprising in the third.

Playing in nippy, windy weather, the Seminoles got fine hitting performances from Jeff Hogan, Dick Nichols and Walt Sumner. Hogan lashed a pair of hits in both games, while Nichols had three hits in the opener and Sumner three for the afternoon.

Florida State got three runs in the third in the first game. Henson drew a base on balls and was followed by Sumner who promptly doubled. A sacrifice fly by Dave Moates scored Henson and Gold then added his first homer to make it 3-1.

In the fifth, FSU scored another run as Gold walked, and stole second. Mike Easom rapped a single, but Gold was cut down at the plate by right fielder Rick Young. Easom took second on the throw and came home on Hogan's base hit.

Clemson made it 4-2 in the bottom of the fifth as Craig White, who was three-for-five in the game, rapped a home run.

The score stood until the ninth inning when the Seminoles added two more runs. After two were out, Nichols tripled to deep right center and scored when the

catcher booted the throw home. Mike English then singled and Jim Gurzynski chased him home with a double.
