ALTHOUGH LOYND AND TATSUNO SHARE THE DIVISION I RECORD, THE COLLEGIATE (ALL DIVISIONS) RECORD IS HELD BY CAL POLY POMONA'S ALAN FOWLKES, WHO WON 21 IN 1980.

QUOTES FROM INDIANA STATE COACH BOB WARN

We went outside on a couple of hitters we shouldn't have tonight..

Paul (Quinzer) was aggressive tonight and he wanted to go after the hitters for the entire game. We kind of varied our game plan for one inning (7th) and that's the inning they got to us.

We may go with Gardiner Tomorrow night, but they have alot of lefties swining so a lefty may get the call.

ON FSU's MIKE LOYND

He hung in there and did a good job.

We weren't selective enough with him, and you can't make mistakes against him and hope to capitalize.

ON BEING IN OMAHA AND THE WORLD SERIES

We waited a long time to get here and I think we proved tonight that we belong. I've got to give credit to Florida State they derserve their number one ranking.

Quotes from floridaStrate coach Mike Martin --

Indiana State has an excellent ball club. I though Quinzer did a great job of keeping uas off stride with that slider. Any ~~xxxx~~ time I start to get any kind of negative thoughts I just change them to positive ones. I really thopght we were going to win the ballgame. Any time you get ~~11~~ 12 hits and make just one error you should win the game. Especially with Mike Loynd out there.

This game with Miami is for the State Championship. This is a long way to come to play for that, but that's the way we feel. There won't be any secrets. They know everything about us and we know everything about them.

Quotes from Mike Loynd --

I didn't think this was one of my better games but I got that first win out here and that is important. I came out here knowing that 20 wins was the record and I got it./ I'm ecstatic about that. Now I'm thinking about going after number 21.

Quote from Jose Marzan --

I really didn't think their pitcher got tired. He was throwing just as good late as he was early. I just think he went to the fastball too much and we finally got to him. I'm just glad we were able to get some hits back-to-back like we did.
