Coaches Quotes

South Florida Head Coach Eddie Cardieri

"We didn't play well in the conference tournament and in the regionals, but I'm proud of this team. In ~~January~~ January no one had us to go this far.. Back in February, USF played like no one could beat them. Now FSU is playing like no one can beat them.

Florida State Head Coach Mike Martin

"

This was one of those games that you saw it all. Gar Finnfold were two of the stories. Finnfold was in total control and he gave us exactly what we wanted. We're very happy to get a win against a team that has been so tough on us this year. Rob Bargas had a big day. He's really hitting the ball well right now. We haven't done anything yet, though. We're happy with this win.

"We won our first two games last year, but we lost two the next day. We've got to come back and play well in tomorrow's game. We've got to be aggressive like we were today.

Note:

Marc Ronan is questionable for tomorrow. He did dress for today's game. His status will be reevaluated for game time tomorrow.
