FSU COACH MIKE MARTIN

" Obviously, we are happy and we are in a good position," said Martin.

"But this ballclub and coaching staff will take nothing for granted. This team (FSU) said after the game "don't anybody get happy, we've got to play tomorrow."

"We got 18 hits and they got out of a lot of jams. I'm not really concerned about stranding the runners. Sometimes thats the way it is. We moved some runners into position but just didn't get the score.

"Gilliland's play in the 8th was huge, no doubt about it. Ricky (Kimball) gave us great relief pitching and Gregory gave us a solid 5 and a third. I thought Nedin was cooking, then he gets in some trouble and hits Goliaths

"I can't say enough about Auburn's program. They are as classy as I have ever been around. It's going to be tough on them though."
