FIU HEAD COACH DANNY PRICE

It's been new for me, but it's been a great experience. Hopefully we will come back again and I think I'll be a better. We will know what to expect. I'm proud of what we've accomplished this year. If you told me at the start of the year we would have won 43 games, I would have been very happy. We played well down the stretch and I'm extremely proud of our kids, our coaching staff. This (regional bid) does a lot for our program. It let's people know who Florida International is.

In the future we will play more games after our conference tournament. We just weren't game-ready. Florida State is a great club, they deserve to be No. 1 and they were game-ready. They did the job they had to do to beat us. They have a great pitching staff, and an outstanding defense..

FSU HEAD COACH MIKE MARTIN

"I was very pleased with Bryan Harris. I thought he located his fastball very well. He got the curveball going in the middle of the game.

"I was pleased with the way we played. I thought we played Seminole baseball' for the first time. We were aggressive and put pressure on the other team.

"Perez was definitely the difference offensively. He would get on first, steal second and that put pressure on their shortstop and we were able to get some hits.

"Kenny Felder's hit was a big one for us to get those runs.
