Game 3 Western Carolina 1, Florida State 0

Florida State Head Coach Mike Martin:

It is a real credit to Phil Grundy. He pitched a great game. Its tough to get anything going when you only get three hits. Grundy is a great competitor. I was very impressed with him. Only three hits and getting shutout in your own backyard, I never expected that. Its kind of hard to score when you don't get a runner to third. Again, Grundy did a great job. He threw a slider, over the top and underneath. He kept making us hit the ball in the air when we were trying to get ground balls. If you get three hits and don't score you don't win. This is a fighting ball club. They have faced adversity all year and continue to fight. Tommorrow will be a real gut check for us."

Florida State First Baseman Chris Roberts:

"Grundy had the fastball and the curve working. He threw it different places all night. Grundy kept us off balance and just did a great job of oitching. I saw mostly curve balls all night. He reallu did a great job. I thought we would eventually get to him, but he kept battling and got us out."

Western Carolina Head Coach Keith LeClair:

"I think this win means a lot for the program. I hope some respect comes to us. This tournament means a great deal, especially to our seniors. Just a big win tonight! It was probably thebiggest for our program in a couple of years. Phil Grundy just had an incredible performance. He made the big pitch when he had to. Grundy is a competitor and he showed it tonight. I felt alot better after that run. I knew it wouldn't be a high scoring game. We kept battling and felt we would win it with one run. That was a big momentum lift for us."

Western Carolina Pitcher Philip Grundy:

"Tonight was probably as good as I've ever pitched. I knew that every pitch anything could happen. I really concentrate in big games, especially versus FSU. They have good hitters throughout their lineup. Tonight just went our way."
