## Florida State vs. Miami (Florida)

### Postgame Quotes

#### FLORIDA STATE COACH MIKE MARTIN

(Opening statements) "That was a great ballgame. It was well-played and you've really got to credit (Miami pitcher J.D.) Arteaga. I don't care about the eighth inning and the three rockets. The guy pitched a great game. Obviously, it's a tough loss, but it's not the end of the world. It was just a great spectacle. It was just one of those games where you take your hat off to Arteaga and the University of Miami. They beat us; no excuses. They cotton-pickin' get five hits in the first inning and that's the difference. It's going to be difficult from here, but it's not impossible. The only thing we want to do is treat these fans to some great baseball, and so far we have."

#### FLORIDA STATE PITCHER DAVID YOCUM

(On his outing) "I went out there feeling all right. I made one mistake to (Miami first baseman Danny) Buxbaum, but that was our only mistake all day. We had some tough breaks, but Buxbaum has been doing that to us all year. But that was the only one of the five first-inning hits that was hit hard. After the rain delay, everyone was still fired up and (Florida State reliever Charlie) Cruz pitched great. But we had some ball that were hit right at 'em."

#### FLORIDA STATE FIRST BASEMAN DOUG MIENTKIEWICZ

(On Miami's Arteaga) "I caught J.D. in high school and I know deep down that everything he was throwing lacked the normal J.D. stuff. Honestly, I didn't think he would get out of the first inning. But he just got better, and you have to take your hat off to 'em. It's a frustrating feeling from our offensive standpoint. And how often does that happen to a David Yokum? Maybe once in a career."

#### MIAMI COACH JIM MORRIS

(Opening statements) "It was a great win for us. I guess at this point every win should be our biggest win. Florida State is a great team. They always keep us off balance. J.D. (Arteaga) pitched a great game."

(On scoring 4 runs compared to 15 on Sat.) "This is more of a typical game for us. We usually score 3, 4, 5 or 6 runs."

#### MIAMI J.J. ARTEAGA

(On having to warmup several times) "I got ready about three times for the game. The rain delay really didn't effect me. I just let defense play behind me and I didn't walk anybody."

#### MIAMI DANNY BUXBAUM

(On the team) "We've been pretty successful. He threw me an inside breaking ball. I saw it coming it coming in and just hit it and it went up and out."

(On a pitch FSU players thought was new) "It is not a new pitch for me. It was my slider. It was just pretty effective today."
