FLORIDA STATE CROSS COUNTRY DROPS MEET TO SOUTH FLORIDA

TALLAHASSEE -- The Florida State University men's and women's cross country teams each dropped their season opener Friday to the University of South Florida. The Bulls outran the Lady Seminoles 24-32, while the men were swept 15-50.

First year head coach Scot Irving was upset by the losses but still saw some positives. "It's just a beginning, in terms of preparation for the rest of the season," Irving said. "It is not only a beginning for this season, but the years ahead."

Amy Lund led the way for South Florida. She covered the two-mile course in 11:15.0. She was followed by Seminole Tracy Pepoon, who ran the race in 11:27.0.

Malcolm Campbell was the first Bull to cross the finish line. His time for the men's four-mile trek was 20:35. Campbell led a pack of five South Florida runners, each of which ran the course within a second of each other.

The Seminole cross country teams next head to Clemson for the Pre-ACC Invitational on Saturday, September 18.
