

IMPORTANT: Most player categories are ranked on per-game average. Thus, it's vital that you consider every player (on both teams) with any statistics in any game this season (get season player statistics from both SIDs). Then list below the code number and last name of players who have season figures but did NOT play in this game. A game played is one play—whether or not the player touches the ball. All players will be charged with a game unless you tell NCSS otherwise. If a player with first-time statistics has missed games, fill in below—after getting from his SID how many games missed.

QUOTES FROM FLORIDA STATE COACH DARRELL MUDRA:

"It was a heartbreaker. I just hope we can get this one out of our system. We caught Alabama hurting a little at quarterback and it's too bad we couldn't pull it out.

"Our coaches did a super job of preparation.

"I couldn't tell about our last field goal attempt from where we were in the press box. Our bench thought it was good. I don't think I've ever had a team that was quite so prepared both offensively and defensively. That's ~~some~~ about as satisfying an effort as you'll get without winning.

"We talked it over and decided to go for the safety. It gave us 15 yards better field position. They had been close to blocking a couple of punts earlier. That was the deciding factor.

"It looked like we dominated the game offensively in the first half and defensively in the second half. We made a couple of errors offensively in the second half which hurt. Maybe if we pray a little harder Askin will start hitting those field goals.

"I think we'll be up for ~~the~~ Florida, but they ~~are~~ have a super team. I'm just so disappointed that we lost this one. I'm disappointed for the coaches and the players.

"It was a hell of an effort."

QUOTES FROM ALABAMA HEAD COACH PAUL BRYANT:

"If I were you (members of the press) I would be over in the other dressing room.

"I've never in my life seen a team that was so much better coached than our team than Florida State was today.

"There's no doubt, and I'm not whistling Dixie, they were superbly coached. They picked at us like children and deserved a lot more than they got. I honestly want to commend Coach Mudra and his staff for a terrific job.

"We didn't have any offense, of course. There's bound to have been someone who played well, but I couldn't name one now. I didn't see ~~any~~ Leroy Cook make some big plays.

"We're thankful to win and we have to be proud of the defense for not letting them score but once after they had the ball so much.

"We underestimated them badly. Not only the players, the coaches as well. I don't blame the players as much as I do myself and the staff. We didn't take them seriously because they ~~hadn't~~ hadn't won in so long.

"There's some grumbling amongst the alumni and I'm starting it. I'm tired of every Saturday the same old tune. The same old tune is "I got outcoached," particularly when it's the truth.

~~When~~ "Their fullback did a terrific job with that draw play, especially when it was third and 20. Their quarterback did an excellent job. Their offense was beautifully planned."

ASKED ABOUT ~~THE~~ RICHARD TODD'S ABSENCE: "We're not going to blame it on the quarterbacks. I'm blaming the lack of offense on Paul Bryant."

ASKED ABOUT FSU'S USE OF UNBALANCED LINE: "We expected that, but we were badly confused in the first half."
