CINCINNATI QUOTES -- Mike Gottfried

"I'm not happy. I really don't care whether we played them on the road and almost pulled it out. Close doesn't count and it never has."

"Florida State did some things tonight that ~~surprised~~ surprised us but that is by no means an excuse. Basically I'd say that they just executed a little better than we did."

"It seemed whenever we made a substitution it hurt us. We'd put a new guy in and he'd blow an assignment or something."

"Our biggest ~~problem~~ problem was our kicking game. ~~See~~ We had a total breakdown and will have to iron it out before our next game."

~~XXXXXXXXXXXXXXXXXXXX~~

On running the ball on fourth and one on FSU's one

"We felt we needed six points. A field goal in that situation puts you down by four. We felt at that juncture six points were our only alternative."

FLORIDA STATE QUOTES -- Bobby Bowden

"I thought the whole team played better than we thought we would except for the kicking game and it was just as bad as we thought. Cincinnati played a very confusing defense. We won't see that another time this year. They had us confused early."

"George Henshaw called all of our plays tonight and I thought he did a heck of a job. That's the first time in a long time that I didn't call a single play. We put a lot of points on the board. ~~XXXXXXXXXXXX~~"

"We made too many mistakes tonight. We're going to have to cut out our mistakes if we want to play with people like Pittsburgh."

"On the interception at the end, we were trying to throw a corner route and if it's not there we usually try to overthrow the ball. Blake just thought we had it ~~open~~ open and made a mistake. It was his first game and his first start as QB and I thought he did a good job."

"I thought Phil Hall did just great. I had a feeling that he would come through. He's just that kind of kid."

SCORING SUMMARY

List all scoring plays in sequence. "Time left" means time remaining in the quarter at the conclusion of the scoring play. Under "play," to save you time, please use only: Rush, Pass, INT, PR, KOR, FUM, FG, or SAF (instead of writing out interception, punt, kickoff and fumble returns, field goal or safety).

On pass play, list passer first, then receiver and combined yardage of pass and

run. All plays are measured from the line of scrimmage except field-goal attempts—from the point of kick to the goal posts (goal line plus 10 yards).

After each touchdown, please continue on the same line and under "FOR EXTRA POINTS ONLY" check (✓) type of PAT (kick, pass or run) and whether good (G) or no good (NG).
