COACHES QUOTES

Bobby Bowden:

"The score wasn't as bad as it read. Our defense did a good job of putting a lot of points on the board. I really ~~do~~ believe they were on the field for all of the fourth quarter."

"We tried to use our punt block tonight but Tulsa did a good job of holding us out. The problem was they weren't getting down to cover them and that allowed us to get good field position all night"

"I wanted to get Chip Ferguson a chance to throw tonight and wanted him to do it under pressure. First play of the second half we called a pass. It was designed to go to someone else and ~~but~~ that person was taken out of the play. Chip had the prescience of ~~some~~ mind to look for a secondary ~~sex~~ receiver and he found Hassan Jones."

"Our plan coming in was to keep it on the ground and keep it simple. ~~It~~ It went about like we ~~we~~ expected, until the defense started forcing the turnovers and putting points on the board."

Deion Sanders:

"We did a good job setting up the returns. On the interception, I thought I had it played well and I was able to get in front of me. It was open ~~sex~~ all the way and I knew I just had to go with it."

Don Morton:

A loss is a loss it doesn't matter what the score is.

Obviously, Florida State has a very talented and excellent football team, they have outstanding quickness and athletic ability. It's like fighting the Russians with very limited bullets

Coming into the game we didn't know if we had the outside quickness to combat FSU, so we tried to establish our inside running game

This is a first time experience for me, but what we told the players after the game, we could not go through something like with any better people than what we have. We ~~ji~~ have to regroup. We are now 2-5 and we have to bounce back to be 3-5.
