COACHES QUOTES

FLORIDA STATE HEAD COACH BOBBY BOWDEN

"We played pretty good. I thought they fought hard until the very end. I really didn't like the way we executed. I kept seeing the ball on the ground. We were not sharp throwing and catching the ball either."

"I'd like to have a game like this every week. It was tough to get ready but I'm just glad ~~MM~~ I was coaching our team and not on the other side coaching against us. We were playing against a team we were much bigger and stronger than. You notice we didn't get a whole lot outside. We just ran it in the middle most of the night."

"Next we play Florida who is just the opposite. They are tough to run inside on. I'll talk to the team tomorrow to get their feelings on the bowls. I'll have the final decision but I'll get input from them and as long as the president and my athletic director go along with it, that's what we'll do. The bottom line is we want to go to the place that would best project our football team."

WESTERN CAROLINA HEAD COACH BOB WATERS

"Offensively it was a miserable performance. It was as bad an offensive game as we've had in several years. Of course, Florida State had a lot to do with that."

"I don't think we quit. I'll have to watch the film to make sure but I think we kept on crying to the bitter end."

"I'm extremely disappointed that we couldn't move the football better. We have always been able to complete passes against everybody we've played. Tonight was an exception."

"It has been a tough year and tonight sort of culminated everything for us. Florida State is a tremendous football team and I said before the game that they might be the best we've ever played. Now I'm sure they're the best we've played. Offensively they just outmanned us at every position."
