QUOTES FROM EAST CAROLINA HEAD COACH ART BAKER;

"We played a great football team tonight. I said all week, and now I'm even further convinced that they can challenge for the national championship with a few breaks. They certainly didn't need any breaks tonight, but we gave them to them anyway.

"You cannot expect to be in a game against a team like Florida State when you put the football on the ground 10 times and have two interceptions. We will work to correct our poor execution.

"I thought that (Sammie) Smith's long touchdown run really took our steam away. We were still in the game despite making numerous mistakes, but his run broke our will some. He is an awesome runner -- what an exciting player to watch. We saw too much of him tonight.

"Our defense gave us a great effort. We just kept them on the field too long after the first quarter. We started the game following our gameplan to the letter. We had the football for nine of the first 15 minutes. But, again, our execution was very bad tonight."
