

Florida State's cross country team will compete in the Galloway Gardens Invitational Meet at Pine Mountain, Ga., at 2 p.m. Saturday.

The Seminoles competed as the Tallahassee Athletic Club in 1965 and finished fourth out of 12 southeastern teams. Florida State defeated Georgia Tech 21-34 last Saturday in Atlanta.

"I think they are gaining poise and confidence every

week," said Coach Mike Long.

State's second man, Bob Thomas, Long feels, has been "competing like a Trojan" in view of a foot problem.
