

Seminoles Lead Golf Tourney

DELAND, (P)—This was a busy day on the state intercollegiate golf tournament schedule. Two 18-hole rounds were to be played over the College Arms course.

Billy Key of Rollins college led the first round with a three under par 69 yesterday. Florida State University took the team lead with 292.

Defending champion Tim Holland of Miami scored 73. Dick Montney of Florida State had 71. Bud Marsee of FSU 72 and Al Rossiter of Florida 72 among other low scorers.

Miami, needing only one more win to take permanent possession of the team trophy, was second to FSU with 300. Florida had 302.

Champions of both individual and team competition will be decided in tomorrow's closing 18-hole round.

Scores of other FSU golfers were as follows: Ted Hewitt, 73; Eddie Johnson, 76; Tom Cumble, 83, and Tommy Brown, 88.

DELAND, Mar. 24, (P)—Billy Key of Rollins coasted through the finals of the Florida intercollegiate golf tournament to win his first major title today, finishing with a nine under par score.

Key, a junior from Columbus, Ga., outdistanced Tim Holland of Miami, defending champion and nearest rival, by eight strokes in compiling a gross of 279 for the 72-hole event.

Holland shot his best golf of the tournament today with a four-under-par 68 but it wasn't good enough to catch Key.

The winner fired two 69s and a 88 in the opening rounds and then eased up today with a 75. "It just wasn't hitting them," Key grinned after the tournament.

PERMANENT POSSESSION

Steady play by Holland and John Mandley guided the University of Miami to its third team victory in four years with a low gross of 1170.

The win gave Miami permanent possession of the Goodwin M. Nilsson trophy. A University of Florida team finished second with 1182. Florida State was third with 1199, and Rollins, the 1950 winner, placed fourth with 1200.

Individual scores for Miami's championship squad in addition to Holland were: Mandley, 289, good for third place in the tournament; Ed Conklin, 295; and Tom Mahan, 299.

Ray Terry shot subpar golf on two of his four rounds to wind up with a total of 290 and fourth place in individual play. Al Rossiter and Dan Sikes of Florida placed in the first six.

Scores of FSU golfers were: Dick Monney, 219-76—195; Ted Hewitt, 227-73—300; Eddie Johnson, 225-75—300; Bud Marsee, 221-83—304; Tom Cumble, 240-77—317, and Tommy Brown, 259-83—342. Montney won the driving contest Friday with a 306-yard poke.
