THOMASVILLE, Ga. — Florida State's well-balanced golf team opened its season here yesterday by defeating Wisconsin's touring golfers, 20-7.

Both teams had to battle strong winds and threatening skies and neither had a player able to break par 72 under the turbulent conditions.

Florida State's Rem Noble earned medal honors with his 73 and his teammate Bob Shave had a 75. Low men for Wisconsin were Jack Allen and Jim Rynnert with 77s.

The meet was played here because the Tallahassee course is under repair.

Allen and Rynnert (Wisc.) defeated Shave and Dave Morris, 5 and 4; Don Torpper and Dick Hanscom (FSU) defeated Jeff Ames and Dennis Gehrl, 7½ and 1½; Noble and Wayne Timberman (FSU) defeated John Gray and Doug Rasmussen, 8½ and ½.
