

Florida State's golf team enters the Miami Invitational Tournament this weekend with a solid undefeated record as a result of victories over South Carolina and Springfield here yesterday.

Paced by letterman John Parsons who fired a one under 71, the Seminoles defeated South Carolina 18½-2½, and Springfield, 20-1. The FSU record is now 7-0.

Denny Lyons and Richie Karl, two sophomores who have carried much of the load this season, both had even par 72s at the FSU course yesterday.

Coach Hugh Durham and the team left immediately after the match for Miami where action starts Thursday.
