Gators' Laurie Hammer Wins Florida Intercollegiate Golf Championship

The University of Florida golf team, paced by captain Laurie Hammer, charged off with both top team and individual honors Saturday in the 1965 Florida Intercollegiate Golf Championships at Cape Coral.

Hammer, who led the field of 110 golfers during all four rounds of the 72-hole medal play tournament on the 6,726-yard Cape Coral Country Club course, closed with a 75 for a 286 — two under par. Denny Lyons of Florida State University came in second with a 291, followed by defending champion Jay Sigel of Wake Forest at 293.

Trailed by Four

The Florida Gators, coached by Buster Bishop, entered the final round Saturday in second place, four strokes behind FSU. But Coach Bishop received outstanding support from Walter Armstrong (71), Bob Murphy (72), Bob Jewett (75) and Hammer to defeat the Seminoles for the team title, 1,187 strokes to 1,201.

Next came Louisiana State University with 1,210, Wake Forest with 1,213 and Memphis State with 1,227.

TEAM STANDINGS

University of Florida	1,187
