

GOLF

It came as no surprise that the Florida State golf team won its fourth straight Metro championship, May 9-11 in Tallahassee. The Seminoles were playing on their home course and five of their top six golfers were in the Metro's Top 10 before the meet. Florida State's Jeff Sluman, an amateur qualifier in the United States Open was the medalist while as a team the Seminoles tallied 858 strokes and finished 32 strokes ahead of runner-up Memphis State.
