BIG TEN RECORD However, the veteran Illini mentor, Charlie Pond. ____commented, "We performed our big feat last week in winning the Big Ten meet for the tenth consecutive time, breaking all league B records for any sport!" Illinois, beaten by Michigan in d dual competition because of lack of depth, compiled 143 points to 104% for the Wolverines. Pond points out, "The Big Ten doesn't compete in the rope climb and flying rings, so, we have no one entered in these statut nor the trampoline. And I ve never had a team so weak in tumbling before. But we have two good men to hit 'em with in all the apparatus events

"Those two ni breaks, especially that early bad r one, on the side horse cost him the d title. He's scored 96 in all the dual n meets, but only 90 this time," pointed out Frey, ART UNHAPPY 01 ei "I was far from satisfied with my performance on the side horse and in free exercise," lamented Art, 21, who had beaten the older Vega-in-the World and National AAU meets. Another Bear, Mario Delara, school record holder in \$.5 seconds, rates among the top trio in the rope climb. Team scoring is 11 points for

first, nine for second, and on down by one, to one for 10th position. Because of ties, there are 12 finalists on the side horse, and 11 on the parallel hars and flying rings. In individual scoring by the four judges, the high and low figures, are discounted, and an average taken of the middle two.
