

FSU Swimmers Defeat Tech Team, 54-30

The Florida State University swimming team took first place in seven out of 10 events here last night to defeat the Georgia Tech natators 54-30 at the FSU east campus pool.

The victory was the second of the season against one tie for the Seminoles and ran their string of undefeated dual meets to 16.

One new school record was set during the meet as Jack Holmes of Florida State won the 150-yard individual medley race in one minute 50.1 seconds.

Holmes also won the 200-yard backstroke event to share high score honors for the night with distance star Oscar Crouch of Tech who copped the 220 and 440 yard free style races.

Cap Childress got Tech its only other win of the meet when he took the 200-yard breaststroke. Florida State won both relay races while Co-Captain Dick Wells, Dan Blackshear and Walter Jardine also took firsts for the Seminoles.

Florida State's next swimming meet will be against Clemson there Feb. 5.
