

The Florida State University swimming team took its seventh win of the season here yesterday easily defeating Emory University tankmen, 60-24. In a dual meet staged in the East Campus gymnasium.

The triumph was the sixth straight for the Tribe and gives them a season mark of seven wins against one defeat. The lone loss on the record was to Georgia early in the season but the Seminoles avenged that defeat Saturday by trimming the Bulldogs in Athens.

A new school and a new pool mark was set here yesterday by the FSU 300-yard medley relay team composed of George Cooper, Ernie Stock, and Dick Wells. The team swam the distance in the record breaking time of 2:58.8 bettering the former pool mark of 3:05.7 and bettering the two-day-old school mark of 3:02 established by the same trio Saturday in Athens.

FSU completely dominated yesterday's event taking nine first places while Emory got but one.

The Tribe has now defeated Jacksonville Navy twice. Georgia Tech, Georgia, Northwestern (La.) State and Emory FSU will enter the Southern regional AAU to be held this week-end at Emory in Atlanta.

Results of the meet follows:

300-yard medley relay: 1—FSU (Cooper, Stock, Wells) Time—2:58.8
200-yard free-style: 1—Lurie, FSU
