

Florida State University's swimming team opened its season here yesterday afternoon with a decisive 80-21 victory over Jacksonville Navy in the East Campus pool.

Sweeping all but one of the 10 events, Coach Bim Stults' Seminoles ran up their biggest margin yet over a Jax Navy team.

While the meet produced no double winners, FSU's George Cooper, Southern AAU backstroke champion, turned in probably the best individual performance of the day with a 2:23.5 in his specialty.

The Seminoles next home meet is with the University of Georgia Jan. 17.
