

At Beach Pool

Rosser Leads UM To AAU Victory

With Gaither Rosser winning three first places and swimming on relay teams which took first and third, University of Miami won the Florida AAU swimming championships Saturday at the Riviera Cabana pool on Miami Beach.

Rosser won the 100, 220 and 440-yard freestyle events.

The Hurricanes, unbeaten in collegiate and AAU competition this year, wound up with an even 100 points to 90 for University of Florida and 60 for Florida State. Metropolitan Miami Swimming Association was fourth with 20 points and South Broward picked up one.

Only records established were in the 400-yard individual medley, 400-yard medley relay and the 100-yard butterfly, events on the AAU program for the first time.

Ted Robinson, who took two AAU events and the national junior 220 freestyle, was Florida's top scorer while George Cooper led the Florida State team with a pair of wins.

The Seminoles would have made the meet closer but for a disqualification which cost them the 400-yard freestyle relay and another disqualification which cost them a few points in the 100-yard freestyle.

Results:

Junior National 220 Yard Freestyle —
1. Bennett (UF); 2. Hungerford (UF);
3. Rose (MM). Time—2:19.4.
