ATLANTA — Freshman-heavy Florida State piled up a record number of points in drubbing Georgia Tech, 68-16, for its 19th straight dual swimming success here last night.

It was the highest Seminole team total since FSU, under Coach Bim Stults, took up inter-collegiate swimming in 1949. Since that time, the Seminoles have won an amazing 42 of 51 dual meets, best record in the South.

State hopes to add more glory in the Southern Collegiate championships against Florida, Miami, Georgia, North Carolina State, North Carolina and others here today and tomorrow.

Stults juggled his regular line-up against Tech and it worked perfect for FSU's sixth straight triumph without a loss over the Southeastern Conference entry.

For example, sophomore Ernie Stock, FSU's 150-yard individual medley ace, switched to the sprints and won a first place in the 100-yard freestyle and a second in the 220. Mike Tschirret, regular freestyler, tried his hand at the medley and was an easy victor.

Freshman Graham Teschke, for the third straight meet, won the 220 and 440-yard freestyle events as FSU copped every first place and most of the seconds.

The Seminoles own victories over Georgia, SMU, Texas A&M, and Tech this season and haven't lost since Georgia tripped them early in 1953.
