

Florida State's swimmers could do little wrong here Tuesday night, handling a University of Miami squad mighty small in numbers a 58½ to 25½ drenching.

The victory marked the second straight meet in which the Tribe has allowed an opponent only one first place. Florida State baffled the Florida Gators here last Friday night with a first in diving.

Sprinter Hal Mischner of the 'Canes achieved the only blue ribbon for the losers, in setting a new meet standard in the 50-yard dash.

The Hurricanes, seven strong, did not enter the night's first event—the 300-yard medley relay—in order to save their small corps for later duty, reasoning that the use of three men in the initial event would be more harmful than helpful regardless of its outcome.

Graham Teschke of the Seminoles was the meets' only double winner. The sophomore ace captured the 220 and 440-yard freestyles, being pushed only in the former—by Richard Joseph of the Hurricanes.

Two other tankmen besides Michner set meet marks in the dual competition, sophomore Ken Abbott of the Tribe setting a new standard in the 220-yard backstroke and an FSU 400-yard freestyle relay team of Paul Hammond, Glenn Thatcher, Don Lewis and Pat McKeown breaking the old record in their specialty.

The triumph pushed Florida State's won and lost mark to 8-1 for the campaign and closed out the home schedule for the Seminoles.
