

Florida State's swimmers pulled punches last night, but easily won their sixth straight meet defeating Tulane 57-34.

However, Coach Bim Stults did inject a knockout blow in the final event when he entered a 400 - yard freestyle relay team of Mike Blouin, John Rangely, Jim Mauldin and Richard Abbott — none of whom had seen action previously.

This team was shooting for a record and broke the existing meet, pool and Florida State marks with a blazing 3:18.6 time, almost lapping the swimmers from Tulane in the process.

Although comparative times are unavailable, Stults believes it is one of the best efforts in the country so far this season.

Another meet highlight was a dual on the one - meter board between Neal Allen and Larry

Profumo of Florida State.

Allen was undefeated in dual competition last year, but sophomore Profumo has beaten him twice this season. Allen won the event last night by less than three points.

The Seminoles swept nine out of 11 events, breaking four meet records against the Green

Wave. Mark Cohen set a mark in the 200 - yard butterfly, Dale Smith in the 100 - yard freestyle, Mike Rowe in the 200-yard backstroke, and Thornton DeWitt in the 500-yard freestyle.

The tankers are idle until Feb. 15, when they meet Florida in a rematch, their final dual meet of the season.
