Florida State swam just well enough to win and defeated outmanned Tulane 49-45 here yesterday.

It was virtually an all-sophomore performance for Bim Stuitt's tankers, who won their fifth meet of the season against one defeat. In many events, the Seminoles entered only one man to swim against two Tulane swimmers.

The meet's outstanding performer was Tulane's Larry Curran, who won the 50 and 100 freestyle events and anchored the winning 400 yard freestyle relay.

Curran's victory in the 100 put the Green Wave Ahead 31-29, with four events left, but Tut Heisler and Jack Jaisler finished one two for FSU in the 200 backstroke, and sophs John DeMarie and Gene Coker swept the 200 yard breaststroke to wrap up the meet for Florida State.

FSU won only six of the 11 events. Other Seminole firsts were taken by Bob Aldrich in the 200 yard freestyle, and Don Hartke in the 200 yard butterfly.

Yesterday's meet was the last at home for FSU this year, the Seminoles have road dates with Alabama and Florida remaining.
