FINAL SCORE FSU 62, USF 41

Florida State's first-team swimmers got to rest Saturday, as Coach Bob Stults let his reserves do most of the work in a 62-41 dunking of the University of South Florida Brahms at the Union Pool.

The Brahms captured both relay events, but the Seminoles won eight of the meet's ten individual races to garner the victory.

It was the Tribe's fourth win in five starts, the only loss being a 55-49 setback by the powerful North Carolina State team.

Seeley Feldmeyer was the only Seminole regular to see duty against South Florida, and the big junior garnered a 22.5 time in the 50 yard freestyle.

The time was just two-tenths of a second off his record showing of 22.3 set last season, but it was the first time the Annapolis, Md., native has seen competition in the event this year. He has been used regularly in the 100 and 200-yard freestyle events.

Other Seminole first places were captured by Bob Aldrich in the 200-yard freestyle, Gary Trimble in the 200-yard individual medley, K. C. Dawson in the butterfly, and Chuck Busse and John Stafford in the 100 and 500-yard freestyle events respectively.

Tribe divers Randy Stewart and Carl Springfels took one-two honors in the spring board competition. Stewart nudged out his teammate with a 278.75 point total.

Florida State's next outing will be next week against Tulane, in New Orleans. The Seminoles won't swim at home again until Feb. 25 when the Florida Gators come into

town. The Tribe won an earlier meeting between the two rivals, in the Gator pool.
