Saturday's chill wind did little to cool off the red-hot Florida State swimmers as the Seminoles raced to their second win in as many days, dowing the University of South Florida 72-40 at Union Pool.

The Tribe captured all but three of 13 events including sweeps in four events.

Three meet, one varsity and 2 Union Pool records fell during the brisk afternoon's competition. Diver Howie Acosta set the varsity pool mark with an award of 296.8 points in the three-meter event. Other meet records fell to Seminole Jim Thompson in the 100-yard freestyle when the big senior finished in 10:51.3 and to the

Tribe 400-yard freestyle relay team of Wayne Morse, Lee Eisinger, Jim Stevens and Howard Gray clocked in a 3:25.9.

"We are happy with the outcome of these two meets," said Seminole Coach Bim Stults whose charges downed Evansville 62-49 Friday. "But we certainly needed the experience. A lot of our boys looked ragged out there."

"We are about where we thought we would be for this time of the year, but there is still a long way to go before we get into the meat of our schedule."

The Seminoles opened against South Florida with a win in the medley relay, and then proceeded to sweep the first two places in each of the next three events for an almost insurmountable 31-3 lead.

South Florida did not gain a first place until the seventh event, the 200-yard butterfly, where it took first and second. The Brahmins took the next two events, the 100-yard

freestyle and the backstroke for their only wins.

The Seminoles will send a contingent to the two-week long Aquatic Forum in Ft. Lauderdale next week. Florida State's next dual meet will be Jan. 9 against Georgia here.
