FINAL-- Florida 70

FSU--42

Special to The Democrat

**GAINESVILLE** — Florida State's swimmers couldn't splash fast enough Saturday afternoon and fell to the University of Florida 70-42 in the Gator pool.

The Seminole tankers won the opening event, the 400-yard medley relay, and then got a chill as the Gators captured the next four events in a row in route to the victory.

Florida State won only four of the 13-event field.

Phil Boggs gained the Tribe a pair of firsts as he took both the one and three meter diving competition.

Mark Middleton picked up the other Seminole win in the 200-yard butterfly.

It was the second loss to the Gators this season for FSU. UF took the early meet 61-52.

The Seminoles are now 7-2 in dual meets and head for Athens, Ga. this week for the Southern Intercollegiate championships.
