

# FSU takes swim win

Florida State's swimmers prepared to defend their Metro Conference championship by defeating South Carolina 78-35 Saturday.

The victory completed the dual meet season for the Seminoles and left them with a 6-2 record. FSU's only losses this season were against Florida and Auburn, both top five finishers in last year's NCAA finals.

"Generally speaking we swam better today (Saturday) as a team than we have all year long," FSU coach John Stafford said. "It's a nice way to end the dual meet season and we're looking forward to defending our Metro Conference title."
