56th ANNUAL SWIMMING/DIVING CHAMPIONSHIPS

CLEVELAND, OHIO

MARCH 22-23-24, 1979

OFFICIAL RESULTS

CLEVELAND STATE UNIVERSITY

DEPARTMENT OF ATHLETICS

2451 EUCLID AVENUE, CLEVELAND, OHIO 44115 (216) 687 4800

April, 1979

To All:

This booklet chronicles the achievements of more than 400 of the world's finest swimmers and divers, competing in the world's most exciting annual swimming and diving meet--the NCAA Championships.

We salute them for their achievements.

We salute too the hundreds of people whose names are not found in this booklet, but without whose efforts the 56th Annual NCAA Swimming and Diving Championships could not have taken place. We refer to the coaches, the trainers, the non-competing team members, the meet officials, timers, judges and deck workers, and, yes, the loyal and dedicated parents of the competitors.

We thank each and every one of them for the part they played in making the 1979 Championships another remarkable meet.

This year's Championships were the third to be held in the Cleveland State University pool in the past five years. Each has left behind more than its share of pleasant memories, thanks largely to the people we recognize herein.

To each of them, and to all who read this message, please be aware the doors are always open to the pool whose water flows downhill in both directions.

Regards,

Two FSU men alive in NCAA swimming

CLEVELAND, Ohio — Steve Allbritton, one of three Florida State swimmers at the NCAA national swimming championships here, fell out of competition Thursday after failing to qualify in the 50 freestyle.

Allbritton turned in a time of 20.75 in the fourth heat Thursday, to place sixth out of eight swimmers. Allbritton holds the school record and was ranked No. 5 in the nation in the event.

Two others still alive for the Seminoles are breaststroker Kevin Connell and backstroker Keith McConnell.

Connell qualified for the nationals in both the 100 and 200 breaststroke. He has been ranked No. 1 in the nation since early December, and is coming off Metro Conference wins in the 100 and 200 breaststroke as well as the 200 individual medley.

McConnell, a junior, will swim in the 100 backstroke, in which he holds the FSU record.

Before Allbritton's swim Thursday, Coach John Stafford said that, despite the small number of FSU swimmers qualifying, he expected to better last year's 21st place team finish in the nationals.

FSU's Connell is All-America

Special to The Democrat

CLEVELAND, Ohio — Florida State's Kevin Connell won All-America status here Saturday during the NCAA Swimming and Diving Championships.

Connell swam a 2:03.69 in the 200-meter breaststroke to place 8th in Saturday's afternoon session.

He swam a 2:05.01 in the consolation finals to place 5th. He finished 11th overall in the tournament.

The top 12 gained All-America status.

McConnell eliminated in NCAA

CLEVELAND, Ohio — Florida State's men's swimming team continued to find the going rough at the NCAA national championships here, staying alive in only one event after Friday's competition.

Kevin Connell will swim the 200-breaststroke today. He was eliminated in the 100-breaststroke Friday, turning in a time of 58.2 seconds to place 36th in a field of 45. He was ranked No. 1 in the nation going into the meet.

Keith McConnell fell out of the 100-backstroke competition with a time of 51.99, placing him 24th in a field of 38.

Steve Allbritton was eliminated from the 50-freestyle Thursday. The three were the only FSU swimmers to qualify for the meet.
