FSU's Akre, Kowalski compete in swim meet

Florida State swimmers Dan Akre and Mike Kowalski get their chance to go head-to-head against the nation's best today with the start of the NCAA Swimming and Diving Championships in Austin, Texas.

Looking to score points for FSU for the first time since 1976 in the national championships, Akre will compete in three races and Kowalski will swim in a pair of races.

Akre, a junior from Concord, Calif., is ranked 14th in the world in the breaststroke. At Austin, he will compete in both the 100- and 200-yard breaststroke and the 200 individual medley.

Akre is the Metro Conference champion in both breaststroke events and also the school-record holder in the 100 and 200.

At the championships, Kowalski will take part in the 100-yard backstroke and the 100-yard freestyle. The junior from Bloomfield Hills, Mich., met his qualify-

ing time when he swam the 100 backstroke in 50.82 to set a Metro Conference record at last month's championships.

The pair will swim in preliminaries each of the three days. To score points, they must finish in the top 16, and the top 12 finishers in the final will be tabbed All-America.
