

Florida State University's unbeaten tennis squad will seek its seventh and eighth consecutive victories of the season Monday and Tuesday when they meet the Mississippi College Choctaws in a pair of Dixie conference matches at the West Campus courts.

FSU ran its string of victories to six here Friday when they edged out the Southern college Mocs 5-4 in an intra-state duel that was in doubt until the final two doubles matches were completed.

After the two squads had divided the six singles match evenly, the Seminoles gained their narrow win by taking two of the three doubles events.

~~Dickson and Costello gave the Indians a 4-3 edge by defeating Gregg and Holland 6-2, 6-0.~~

~~Newman and Jackson then clinched the triumph with a 6-3, 6-3 victory over White and Owsley.~~

The third doubles match, which ended simultaneously with the Seminoles victory-clinging match, went to Southern as their top duo of Winchell and Feld scored over Quay and Jarratt 6-2, 6-3.
