

FSU Netters Blank Southern, Hand Winchell Initial Loss

The Florida State University tennis team won every match here Saturday afternoon to white-wash the Florida Southern College Moccasins 9-0 in a Dixie Conference start.

Freshman Don Seiffert of the Seminoles defeated George Winchell, the Mocs' 6 foot 4 inch conference titleholder 7-5, 3-6, 6-1 in the day's outstanding match. The loss was Winchell's first in three years to a Dixie Conference opponent.

The lanky Florida Southern star netter had Seiffert 5-2 in the first set before the Seminole Freshman got the range to run out the next five games and the set. Winchell pounded out a 6-3 win the second set, then Seiffert passed him repeatedly at the net and in the back court to take the deciding frame 6-1.

Quay Still Unbeaten

FSU Co-Captain Herb Quay, who with Seiffert is undefeated this season, bowled over Charlie Seymour of the Moccasins 6-4, 6-1 to keep his record clear. Seiffert and Quay teamed in the doubles to blast Winchell and Ed Lange, Florida Southern's number one team 6-0, 6-4.

The Seminoles go on the road next week to face Mercer University, University of Georgia and Emory University Thursday, Friday and Saturday, respectively.
