

The University of Georgia tennis team copped both of the doubles matches here yesterday afternoon and that proved to be the deciding margin as the Bulldogs trimmed the Florida State University netstars 5-3. It was the opening match of the season for both squads.

Veterans Bob Lanigan, Larry Dickson and Dan Boda, all lettermen, racked up victories in singles play to register Florida State's three points against the Southeastern Conference opponents. Georgia also took three singles matches, then added the doubles to cop the victory. A third scheduled doubles match was cancelled on account of rain with Florida State leading one set to none.

The Florida State squad will continue its busy week of tennis with four more matches scheduled through Saturday. This morning the Seminoles were to have played a previously postponed match with Concordia College of St. Louis here. The rest of the week they will be on the road, at Miami tomorrow, Florida Southern at

Lakeland Friday and Rollins at Winter Park on Saturday.
