

FSU Netters End Campaign

Florida State University wrapped up its sixth winning season in seven years of tennis yesterday with an easy 6-1 victory over Florida Southern in a rain-shortened match on FSU's clay courts.

The triumphs, second of the spring over Southern, gives Coach Keith Pitchford's Seminoles a creditable 13-5 season's record.

Only one of yesterday's seven matches went more than two sets, FSU copping five of six singles jousts and one doubles match before rain washed out the last two scheduled doubles events.

Senior Jack Egan of Bradenton polished off Southern's Cooper Kirk, 6-0, 6-0, in his last outing in Seminole livery.
