

# FSU Netters Roast Irish

Playing under the lights, Florida State's tennis team won its fourth match of the year, defeating Notre Dame, 6-3, here last night.

The match was originally scheduled for yesterday afternoon, but rain and wind forced a postponement. The Seminoles won all but one singles match and lost two doubles matches.

The two and three doubles matches were played under pro sets because of the late hour. Pro sets award the match to the first team winning eight games.
