

The Florida State tennis team turned back a strong Amherst squad 6-3 at the FSU courts yesterday afternoon.

Florida State took four of six singles and two doubles in the hard fought match against New England's top tennis team.

In the most spectacular match of the day, the visitor's Robert Duss outlasted the Seminole's Russ Langstroth in a three hour match, 4-6, 7-5, 11-9. Both men kept losing their service throughout the long match.
