

Florida State's tennis team blanked Washington University of St. Louis 9-0 in one of its best performances yesterday.

The visitors had lost a 5-4 decision to Florida only the day before, but the Seminoles played well right down the line up. The locals won all six singles in straight sets and showed their readiness for their three-match road trip. FSU is now 11-4 for the season.

Immediately after the vic-

tory, the Seminoles drove to Atlanta where they were to meet Georgia Tech today.

"We lost to Tech 8-1 in Tallahassee," said FSU coach Lex Wood. "but we lost all but one of four three-set matches against them. I think we'll give them a tougher time up there. For one thing, Steve Guse plays better on their hard courts."

Tomorrow, the Seminole net-
ters face Tennessee in Knoxville and then complete the trip with Kentucky in Memphis, Tenn. on Saturday.
