SAN ANTONIO, Tex. — Florida State University's tennis team carried national power Trinity University down to the wire before losing a 5-4 tennis decision here Monday afternoon.

The Seminoles, on a week-long tour of Texas, meets Rice University in Houston this afternoon.

Florida State, losing its first match in five outings this season, split the six singles matches before Trinity took two of the three doubles, locking it up in the final one.

Charlie Diggans, Ricardo Bernd and Enrique Andrade won singles matches for the Seminoles, while the doubles team of Juan Ortiz and Reggie Genois posted a victory.
