

FSU TRACK TEAM SCORES

Smash Records Swamping Howard

Records were dime a dozen here yesterday afternoon as the Florida State University Seminoles trounced the Howard College of Birmingham Bulldogs 109 to 17 in a Dixie conference dual track meet.

Florida State took first and second places in all but two events, set a new team high scoring record, established new school records in four events, hung up a track record in the discus throw and tied three other standards. The Seminole cindermen's marks might have been even more impressive had not a heavy shower slowed down the track just before the meet got under way.

Bowman Top Performer

Top individual performer of the afternoon was Florida State's Tom Bowman of Marianna who personally accounted for 28 of his team's total. Bowman won the 100-yard dash, the 220, the 220 low hurdles, the high jump and the broad jump, and took a second place in the shot put.
