

GAINESVILLE (AP)—Billy Cannon showed a finishing kick on the track Saturday that matched his All-America form on Louisiana State's national champion football team and emerged as the outstanding star of the 16th annual Florida Relays.

Cannon was an easy choice for the Kearney-Raybun trophy given annually to the individual star of the Florida Relays in memory of two University of Florida trackmen killed in World War II.

SLIM VICTORY

Cannon won the feature 100-yard dash by a whisker over Dave Styron of Northeast Louisiana State.

Then Cannon anchored LSU's quarter-mile relay team to victory in record time, finishing just a shade ahead of Don Styron, Dave's twin brother and teammate.

Demonstrating he has power as well as speed—which would be no surprise to anyone who tried to tackle him on the football field—Cannon tied for fourth place in the shot put with a throw of 50 feet, 5 1/4 inches.

The new University of Florida track with its asphalt composition surface lived up to predictions and produced fast times in spite of a sharp chilly wind.

The wind blew so strongly during the 100-yard dash that the 9.5 second time won't go into the record books as equalling the record of Duke's Dave Sims in 1956.

The wind worked against Bill Alley of Kansas in the javelin throw. He belted the Florida Relays record with a throw of 231 feet, 11 1/4 inches. But throwing directly into the strong wind he was unable to match his 258 foot toss in Abilene, Tex., Thursday, which is better than the collegiate record.

The old Florida Relays record in the javelin was 224 feet, 1 inch set by Bill Duckworth of Georgia in 1956.

Cannon wasn't the only star of LSU's track team—which led the unofficial point totals at 42 and one-third.

This was far better than Maryland's 24 points for second place and the 23 scored by Florida State University, last year's top team.

Universities scoring points in addition to the top three were: Northeastern Louisiana 20; North Carolina 19 one-third; Duke 15 one-third; Auburn 10; Louisiana Tech 8 two-thirds; South Carolina 8; Alabama 7; Mississippi State 6; Kansas 5; Florida 4 one-third; Kentucky 4; Vanderbilt 4; Furman 3; The Citadel 3; Dartmouth 2; Michigan 1; Georgia one-third.
