

It was the second victory in two dual starts for the Seminoles who defeated Miami, 89½-55½ last Saturday. Miami and Furman were the only teams to beat FSU in dual competition last season.

Al Williams won both the shot and discus for the Seminoles. The 6-2, 240-pound senior tossed the shot 56' 5½", his best effort so far this year. Williams came closer to the 60 foot standard than any collegian in the history of the South, with his 59'10" heave in the Georgia AAUs last summer.

Dear Sir,

Jerry McDaniel, FSU's leading point producer in the Miami meet, seemed likely to equal his feat yesterday when he won the 440, and ran on the 440 relay team. However, the Tallahassee junior was scratched in the 220, and never got a chance to bring home the baton in the mile relay because of Winter's injury.

Coach Mike Long's team is idle until March 26, when South Carolina comes to Tallahassee.
